

ANNUITY TRAINING REQUIREMENTS

Nassau

Nassau PST is done through LIMRA. In addition to these carrier product training requirements, please be sure that you are compliant with all state training requirements prior to taking applications in states that require National Association of Insurance Commissioners (NAIC) and/or Best Interest compliance.

Follow the steps below to ensure compliance with Nassau's requirements and avoid delays:

 **Product Training** - go to <https://salesnet.nfg.com/product-training.html> to complete necessary training.

- Click on "Our Program: Access Courses"
- From there, click "Take Training Course Now"
- Register for an account and then complete the course
