

ANNUITY TRAINING REQUIREMENTS

Sentinel Security Life

Sentinel Security Life Insurance Company product specific training is available online. The training can be completed before or after contracting, prior to submitting business.

In addition to these carrier product training requirements, please be sure that you are compliant with all state training requirements prior to taking applications in states that require National Association of Insurance Commissioners (NAIC) and/or Best Interest compliance.

Follow the steps below to ensure compliance with Sentinel Security Life's requirements and avoid delays:

Product Training - Go to our Agent Portal: <https://sslco.admin-portal.org/>

- Click on the Trainings icon under the useful tools section at the bottom of the page. An agent number is not required in order to login and complete the trainings. You may also access the site directly by visiting: <https://sslco.insurance-agent.training/>
- You will be directed to the home page of our training site. Click on the LOGIN button and use your e-mail address and SSN, TIN, or Agent Number (if you have already been assigned one) to login.
- If your e-mail address is not registered on our training site, you will be directed to the Registration page. Fill out all necessary information and click SUBMIT to register.
- Once registration is complete, the courses page will populate where you can select the course(s) to be completed.

Completion Records – Once required training is complete, certification will be automatically recorded in our system and will be available to print.
